## A HISTORY OF OUR HOUSE

THOMAS NELSON INC. is a leading provider of Bibles, books, products, and live events emphasizing Christian, inspirational and family value themes. Thomas Nelson's modern-day publishing enterprise humbly began as a Bible publisher more than 200 years ago in a Scottish village, but our mission has remained the same: we exist to inspire the world.

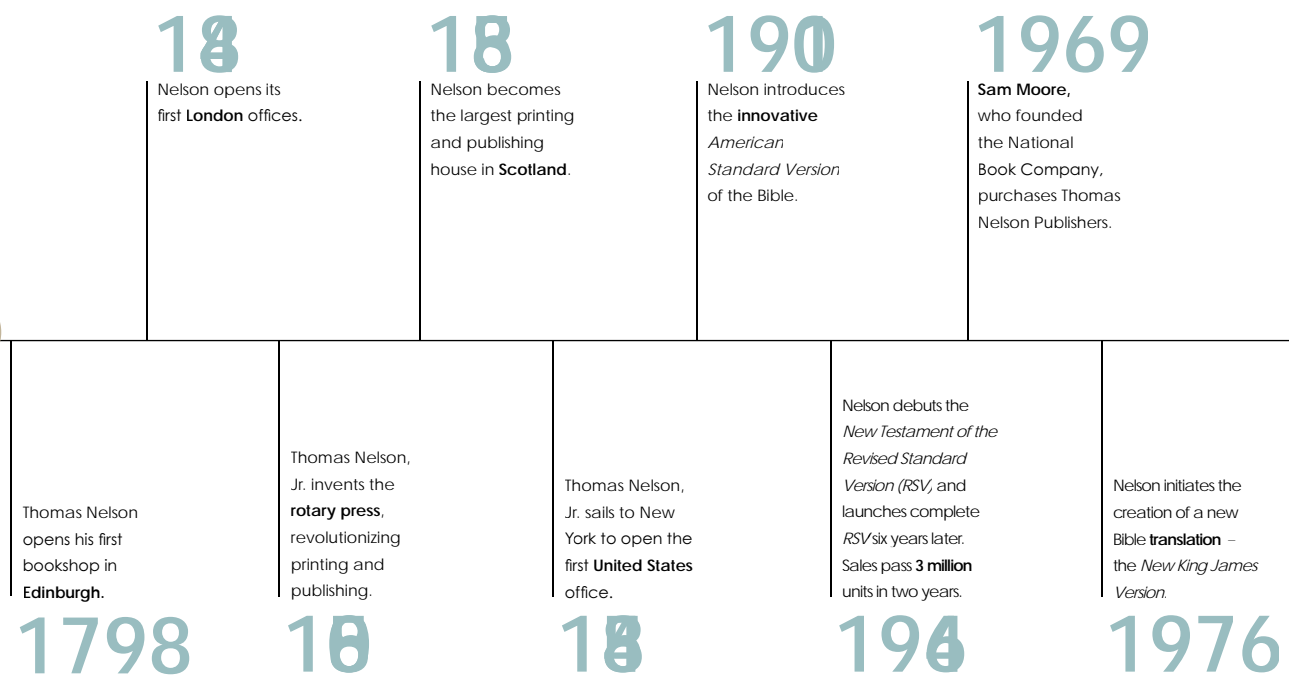

In 1780, Thomas Nelson was born in a modest farmhouse in Throsk, Scotland. Inspired by his parents' and grandparents' faith and a job as a publisher's apprentice, by age 18 Thomas had saved enough money to open a second-hand bookshop in Edinburgh in 1798. While he built his book-selling business, he also wanted to publish his own materials. And—unlike other publishers who catered to the wealthy—he dreamed of providing affordable Christian works and classic literature for the “common folk.”

Within a few years, Thomas began to publish important novels as well as the Bible in 32-page installments, enabling people of all classes to access the Word of God much more easily. And he pioneered new distribution methods, selling books at fairs and auctions in town squares across Scotland. Good business sense, along with his growing reputation for integrity and enthusiasm, caused his enterprise to flourish.

Expanding distribution into England, Thomas' sons joined the company in the years that followed, and in 1850, Thomas, Jr. created one of the greatest advances in printing since Gutenberg with his invention of a rotary printing press. Using a continuous web sheet, his press printed far more rapidly than others and on both sides of the sheet simultaneously. The principles behind his press are still in use today.

By 1853, Thomas Nelson and Sons had become the largest printing and publishing house in Scotland, specializing in religious works, school texts, and stories of travel and adventure for younger readers. The next year Thomas, Jr. sailed to New York to open an office, making Nelson the first British publisher to establish a branch in America. Eventually they would exert a worldwide influence through offices in London, New York, Paris, Toronto, Leipzig, Sydney, Capetown, and other African cities.

Nelson's American branch was fast becoming an influential publisher of Bibles and books. All across the nation a Nelson Bible could be found in nearly every hotel bedroom. In 1901, Nelson had introduced the innovative American Standard Version. The Revised Standard Version New Testament made its debut in 1946, with the complete Bible released in 1952. This translation became phenomenally successful with three million copies sold worldwide in the first two years.

In 1969, Sam Moore—a man from Lebanon who had launched a successful Bible publishing company of his own in America—purchased The Thomson Organization (Nelson’s Parent Comp since 1960). With a love and appreciation for the company’s heritage, he kept the name Thomas Nelson and assumed the rights to the well-known house logo.

In 1976, Thomas Nelson continued its great tradition of trusted Bible publishing by launching the creation of the New King James Version, crafted by a team of more than 100 Bible scholars. Over the next 25 years with Moore at the helm, the NKJV rose in prominence to become one of the most popular Bible translations worldwide.

Since that time, Thomas Nelson has launched other unique Bible offerings in an effort to help people experience The Word. The company has worked with scholar teams to give birth to modern-day Bible translations such as the New Century Version (NCV), The Voice™, and The Expanded Bible. The company has launched the revolutionary BIBLEZINE® format, developed the only study Bible in the marketplace arranged in chronological order, and continues to offer insightful Bible, reference, and curriculum titles from today’s great communicators. Thomas Nelson is also working with the latest technology offering high-quality DVD small group studies, and has brought the Bible to life in a star

studded dramatic audio theater presentation called The Word of Promise® which became the first Bible to receive the coveted Evangelical Christian Press Association’s “Christian Book of the Year” award.

Now helmed by CEO Michael S. Hyatt and President and COO Mark Schoenwald, the company continues to follow in the legacy of the Nelson family and Sam Moore, by forging new paths to offer life-changing products to the world.

Through its forward-thinking strategies, Thomas Nelson has kept its publishing momentum and innovation. Yet even with all its chart-topping titles, accolades, and awards, Thomas Nelson’s success is found in more than prestige or profits. The real measure of success is still found in impacting people with the message of God’s Word.

For more information on the company, products, and titles, visit [www.thomasnelson.com](http://www.thomasnelson.com) or [www.thomasnelsonbibles.com](http://www.thomasnelsonbibles.com).

## TIPS FOR SELLING

### HELP A CUSTOMER PURCHASE A NEW BIBLE.

Our research\* tells us that nearly half of Bible customers are frustrated and leave the store without making a purchase. Translation categories can be confusing. Because many of your customers will not be familiar with translations or are looking for something new and different from what they already own, helping your customers through the Bible selection process using a felt needs approach better assists them in their purchasing decisions.

Understanding and merchandising to your customer's needs is the surest way to help them discover the best Bible. We've categorized customer needs, or reasons "why" people are looking for a Bible:

**GIFTS FOR CELEBRATIONS** – These Bibles are ideal for commemorating special occasions such as a wedding, baby's birth, graduation, baptism, confirmation, first communion, and other events in a Christian's life.

**PERSONAL TIME WITH GOD** – These devotional Bibles provide additional articles and supplements designed to encourage and may include other popular tools like daily recommended readings.

**STUDY** – These Bibles include such study helps as notes, articles, illustrations, or parallel translations to expand general understanding of Scripture or may include commentary from popular authors and ministers.

**CATHOLIC** – These Bibles can be categorized by the other felt needs, but they all have supplementary information or translation slants specific to the Catholic walk of faith.

**LIFE STAGES** – Focusing on the specific stage in a person's life from childhood to adulthood, these Bibles may also speak to a specific gender.

**SPECIALTY** – These Bibles have special features for the customer looking for something specific such as larger print or trendy designs.

**TRAVEL** – Compact and audio options help the Christian on the go.

**SPANISH** – These Bibles can be categorized by the other felt needs, but they all are in Spanish for that growing segment of our population.

### FOLLOW THESE EASY STEPS TO CREATE MORE SUCCESSFUL CUSTOMER INTERACTIONS.

- Ask yourself, "How can I serve this person's need?"
- Ask the customer, "Is this for you or someone else?" You'll want to follow up with more questions based on their response and narrow down their product options to specific Bibles that best fit the felt need.
- Suggest Bible-related supplies and services such as imprinting, indexing, and Bible reference materials.

If you're still nervous about making specific recommendations to your customers, the best solution is to familiarize yourself with the products available. Here are some other ideas for helping customers find the right Bible for them:

- Make some recommendations by pointing them to these sections in your store: best sellers, staff recommendations, category best sellers, recommendations from local pastors, and church-related best sellers. (And create these merchandising areas in your store if you haven't already.)
- Visually show customers different features such as bonded versus genuine leather, indexed versus not.
- Show the benefits ("Your grandmother will appreciate the larger print or the ability to listen rather than read an audio bible") rather than only the price.

For more ideas about using a felt-needs merchandising system in your store and for product, merchandising, and inventory help, contact your Thomas Nelson Sales Rep.

### HOW A TYPICAL BIBLE CUSTOMER SHOPS:\*

1. Bible customers shop by Bibles placed face out first, spine out second.
2. If the packaging and title grabs their attention, they will take a Bible off the shelf and read front of packaging.
3. They then read back of packaging for features and callouts.
4. If the customer's felt need has been addressed they will open the package and "feel" the cover – "touchability" is key.
5. Next they will take the Bible out of the packaging and look at interior page content, layout and quality.
6. Finally they will compare the Bible to other Bibles for a final affirmation to purchase.

The higher the price of the Bible, the more likely the Bible customer will go through all steps in this process.

**ASKING QUESTIONS** is the best way to discover customers' needs. It's important to ask the right questions to lead the customer through the Bible buying process, and hone in on which are the best Bible options for their specific needs. By asking the right questions, you can make a Bible purchase easy for any shopper.

## THE THOMAS NELSON BIBLE DECISION TREE

The Bible Decision Tree helps customers find the right Bible through answering a few questions.

### 1 Who is this Bible for? Yourself? A Friend? Your Pastor?

Knowing who will be using the Bible is the first step in making the best choice. It will help you determine our next set of actions and questions. If the Bible is a gift, be prepared to show your customer recommended gift Bibles for the current season. You also might want to learn more about the person they are shopping for.

### 2 Tell me about the recipient of this Bible.

Most gift purchases are either for special occasions (birthdays, weddings, holidays, baptisms, graduation, etc.), or age-related changes (child to tween, tween to college, normal print to large print, etc.). Once you determine the gift recipient, you'll know if you should show products that are feminine or masculine, along with approximate age appropriateness. Another helpful question may be whether the person likes to study the Bible or if they are looking for a Bible just to read and enjoy.

### 3 How will this Bible be used?

With several Bible options available, how someone plans to use their Bible is important. This question will narrow down the need and help you decide if you should show the customer a study Bible, a daily reading Bible, a devotion Bible, etc. If the Bible is for the customer personally, you need to probe a bit on what they need — a study or reading Bible, certain cover color, or style, or other options. Often the Bible customer wishing to buy something for themselves is seeking to fill a hole in their personal library. Or they may be new Christian and require something basic.

### 4 Is there a specific translation you are looking for?

Several different Bible translations are available. Knowing if there is a preference helps to narrow the purchase decision.

### 5 Are there particular features you are looking for in a Bible?

Bibles offer many different features including, giant or large print text, ribbon markers, the words Jesus in Red, thumb indexes, concordances, and commentary cotes.

### 6 Is there a certain cover type or binding such as leather you would like?

Bibles are available in a variety of bindings including hard covers, paperbacks/flexible covers, leather-like covers, bonded leather/genuine leather covers. Whatever the reason or felt need, your questions will help you zero in on exactly what your customer needs. Asking the right questions will help you serve your Bible customers better and make sure they purchase the Bible they are looking for.

#### WHAT WE KNOW FROM RESEARCH\*:

- The core Bible consumer is 30-44 yrs old, with a household income under \$35,000, and a high school degree or some college education.
- Bible consumers purchase fewer Bibles than books, but are willing to spend more money on Bibles. The average amount of money a customer spent on a Bible in 2009 is \$24.68.
- Customers shopping for a premium Bible (\$35+) shop an average of 2 Bibles before making a purchase and are willing to spend an average of \$46 on a Bible purchase.
- 75% of Bible purchases are planned with the customer specifically looking to purchase a Bible when they enter a retail store.
- 52% of Bibles purchased in Christian Bookstores are Study / Reference Bibles, followed by Text Bibles (18%) and Children and Teen Bibles (17%).
- The primary factor in shopping for and purchasing a Bible for most customers is recommendation by a friend or relative. However customers rank in-store sale clerks followed by in-store display as key factors for making them aware of specific Bibles.

## HOW TO BUILD A STUDY LIBRARY

### Nine Must-Haves for Customers Who Want to Go Deeper

Your customers believe the Bible is the inspired Word of God. They want to get more out of their Bible study. But many of them don't know how. They're going to come to you, their Christian retailer, for guidance. Do you know how to help your customers build a basic Bible study library? You need to be able to narrow their options down to a few basics that are manageable and yet comprehensive. Here's what every student of the Bible needs:

# 1

### A Good, Readable Version of the Bible

You're not going to get very far in your Bible study if you don't have a version you find readable and approachable.

# 2

### A Topical Bible

If you are studying a topic and want to know what the Bible says about it, a Topical Bible will show you.

# 3

### A Bible Dictionary

A Bible Dictionary gives you the facts you need to understand the Bible.

# 4

### Vine's Word Study Dictionary

Vine's Dictionary is the key resource for in-depth word studies. It shows you what the original Greek and Hebrew words mean.

5

### Commentaries

Commentaries go into varying levels of detail, but often a commentary will introduce you to an idea that provides you those “aha” moments.

8

### A Manners and Customs Book

If a handbook gives you the big picture, a Manners and Customs book drills all the way down to the smallest details of life in Bible times.

6

### Concordance

A concordance is a complete list of every word that appears in the Bible, listing where and how many times each word appears. A Strong's Concordance shows the Greek and Hebrew words behind the English translation.

9

### Bible Studies

A personal Bible study guides you in applying the truths of the story—for instance, what does Abraham's example of commitment and obedience mean in your life?

7

### A Bible Handbook

Think of the Bible handbook as a jacket copy for a book of the Bible, giving you the “big picture” view.

The Bible is a big book. It can be intimidating. But as a Christian retailer, you have good news for both the seekers and lifelong Christians who come in your store. There are plenty of great resources on your shelves, and it really doesn't take all that many of them to build a serviceable study library. Master this category, and you will create lifetime customers by leading them on the road to a deeper understanding of the truths of God's Word.

## TRANSLATION GUIDE

### Comparing John 3:16, 17

This translation guide is helpful for comparing different Bible translations side by side and the uses of each.

The **AMPLIFIED BIBLE** adds explanatory and alternate readings and amplifications within the Bible text to help the reader understand Scripture.

“<sup>16</sup> For God so greatly loved and dearly prized the world that He [even] gave up His only begotten (unique) Son, so that whoever believes in (trusts in, clings to, relies on) Him shall not perish (come to destruction, be lost) but have eternal (everlasting) life. <sup>17</sup> For God did not send the Son into the world in order to judge (to reject, to condemn, to pass sentence on) the world, but that the world might find salvation and be made safe and sound through Him.”

The **CONTEMPORARY ENGLISH VERSION (CEV)** gives the meaning of the text in plain modern speech. It smoothes out rough places and eliminates repetition, making it a good choice for casual reading and devotional use.

“<sup>16</sup> God loved the people of this world so much that he gave his only Son, so that everyone who has faith in him will have eternal life and never really die. <sup>17</sup> God did not send his Son into the world to condemn its people. He sent him to save them!”

The **ENGLISH STANDARD VERSION (ESV)** is essentially literal and noted for its accuracy and traditional style, while using clear modern language. Good for personal reading, worship and study.

“<sup>16</sup> For God so loved the world, that he gave his only Son, that whoever believes in him should not perish but have eternal life. <sup>17</sup> For God did not send his Son into the world to condemn the world, but in order that the world might be saved through him.”

The **GOOD NEWS TRANSLATION (GNT) (TODAY'S ENGLISH VERSION, TEV)** seeks to express the ideas in Scripture as they would be expressed if they were being written today in everyday English. Good for reading and understanding the message of the Bible.

“<sup>16</sup> For God loved the world so much that he gave his only Son, so that everyone who believes in him may not die but have eternal life. <sup>17</sup> For God did not send his Son into the world to be its judge, but to be its savior.”

The **HOLMAN CHRISTIAN STANDARD BIBLE (HCSB)** is a newer translation (2003) in modern English that maintains traditional style and accuracy. Its footnotes are highly regarded. Works well for study, reading, and teaching.

“<sup>6</sup> For God loved the world in this way: He gave His One and Only Son, so that everyone who believes in Him will not perish but have eternal life. <sup>17</sup> For God did not send His Son into the world that He might judge the world, but that the world might be saved through Him.”

The **INTERNATIONAL CHILDREN'S BIBLE (ICB)** gives the meaning of the text in plain modern speech. It smoothes out rough places and eliminates repetition, making it a good choice for casual reading and devotional use.

“<sup>16</sup> For God loved the world so much that he gave his only Son. God gave his Son so that whoever believes in him may not be lost, but have eternal life. <sup>17</sup> God did not send his Son into the world to judge the world guilty, but to save the world through him.”

The **KING JAMES VERSION (KJV)**, the all-time bestseller for four centuries, is the choice for those wanting a traditional Bible. It is good for study because of the huge selection of reference works that are available for it. Widely used for memorizing scripture and for worship.

“<sup>16</sup> For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. <sup>17</sup> For God sent not his Son into the world to condemn the world: but that the world through him might be saved.”

The **MESSAGE (MSG)** is an innovative translation of the Bible in free, natural language that is often surprising and which grabs the reader's attention. Good for devotional reading and discussion.

“This is how much God loved the world: He gave his Son, his one and only Son. And this is why: so that no one need be destroyed: by believing in him, anyone can have a whole and lasting life. God didn't go to all the trouble of sending his Son merely to point an accusing finger, telling the world how bad it was. He came to help, to put the world right again.”

The **NEW AMERICAN BIBLE (NAB)** is used predominantly by Roman Catholics. Accuracy and ease of reading make it useful for worship, school and Catholic teaching. Its detailed notes and references suit it well for study.

“<sup>16</sup> For God so loved the world that he gave his only Son, so that everyone who believes in him might not perish but might have eternal life. <sup>17</sup> For God did not send his Son into the world to condemn the world, but that the world might be saved through him.”

The **NEW AMERICAN STANDARD BIBLE (NASB)**, updated 1995, is highly regarded for its literal accuracy. Great for word study because it pays close attention to the wording and structure of the original Hebrew and Greek and attempts to use words consistently. Good for personal and small group studies.

“<sup>16</sup> For God so loved the world, that He gave His only begotten Son, that whoever believes in Him shall not perish, but have eternal life. <sup>17</sup> For God did not send the Son into the world to judge the world, but that the world might be saved through Him.”

The **NEW CENTURY VERSION (NCV)** is a modern language translation that emphasizes clear communication. It is good for devotional reading and group study, and useful for outreach and to people new to Bible reading.

“<sup>16</sup> God loved the world so much that he gave his one and only Son so that whoever believes in him may not be lost, but have eternal life. <sup>17</sup> God did not send his Son into the world to judge the world guilty, but to save the world through him.”

The **NEW INTERNATIONAL READER'S VERSION (NIRV)** uses language understandable to children and other early readers, with an emphasis on readability. Good for education and outreach to learners and nonreaders.

“<sup>16</sup>God loved the world so much that he gave his one and only Son. Anyone who believes in him will not die but will have eternal life. <sup>17</sup> God did not send his Son into the world to judge the world. He sent his Son to save the world through him.”

The **NEW INTERNATIONAL VERSION (NIV)** is a modern English translation that achieves a good balance between accuracy and readability. It is good for reading and individual or group study. Many good Bibles and study resources are available for the NIV.

“<sup>16</sup>For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. <sup>17</sup> For God did not send his Son into the world to condemn the world, but to save the world through him.”

The **NEW KING JAMES VERSION (NKJV)** maintains the traditional King James style and accuracy while using up-to-date English. Good for devotional use and study. Many good study and application-oriented Bibles use the NKJV.

“<sup>16</sup>For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life. <sup>17</sup> For God did not send His Son into the world to condemn the world, but that the world through Him might be saved.”

The **NEW LIVING TRANSLATION (NLT)** was prepared with the goal of making the Bible especially usable for reading aloud in group teaching or worship settings. It presents the meaning of the Bible in common, everyday language.

“<sup>16</sup>For God loved the world so much that he gave his one and only Son, so that everyone who believes in him will not perish but have eternal life. <sup>17</sup> God sent his Son into the world not to judge the world, but to save the world through him.”

The **NEW REVISED STANDARD VERSION (NRSV)** maintains a traditional Bible style. The NRSV and its predecessor, the Revised Standard Version (RSV), are used by many in mainline Protestant, Catholic, and Orthodox churches. They are both accurate and readable, making them good choices for study or devotions.

“<sup>16</sup>For God so loved the world that he gave his only Son, so that everyone who believes in him may not perish but may have eternal life. <sup>17</sup> Indeed, God did not send the Son into the world to condemn the world, but in order that the world might be saved through him.”

**THE VOICE™** is a dynamic translation that brings the biblical narrative to life, representing a collaboration among scholars, writers, musicians, and other artists. Currently available in the New Testament and Scripture portions, the creative page design is ideal for public reading and group studies with embedded commentary to help the reader understand the culture and context of the biblical story.

“<sup>16</sup> For God expressed His love for the world in this way: He gave His only Son so that whoever believes in Him will not face everlasting destruction, but will have everlasting life. <sup>17</sup> Here's the point. God didn't send His Son into the world to judge it; instead, He is here to rescue a world *headed toward certain destruction*.”

The **TODAY'S NEW INTERNATIONAL VERSION (TNIV)** updates the language of the New International Version and provides improvements for today's generation. It is good for reading, devotions and study.

“<sup>16</sup>For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. <sup>17</sup> For God did not send his Son into the world to condemn the world, but to save the world through him.”

**THE EXPANDED BIBLE** is full of tools but a pleasure to read, providing information readers need, quickly and easily. It combines study and devotional reading in one, while offering study aids such as expanded translations, literal meanings, traditional wordings, comments, references, and variations right in line with the text helping readers study while they read.

“<sup>16</sup>[For] **God loved the world so much that he gave his one and only [only; unique; 1only begotten; 1:14, 18] Son so that whoever believes in him may not be lost [perish], but have eternal life.** <sup>17</sup> [For; Indeed] **God did not send his Son into the world to judge the world guilty [condemn the world], but to save the world through him.**”

# START! The Bible for Beginners

## MEET THE GENERAL EDITOR

// GREG LAURIE

### Q Greg, can you tell us a little bit about yourself and Harvest Ministries?

**A:** I have been a pastor for 35 years. I pastor a church called Harvest Christian Fellowship that we started, and we have around 15,000 people who visit us on a given weekend. We have built our ministry on the teaching of the Word of God because I think people have such a hunger today to know what the Bible has to say about their lives, how to live, and most importantly, how to know God. We also have a radio broadcast called "A New Beginning" that's in 500 markets around the country. And then, we hold large-scale evangelistic events we call Harvest Crusades. We just recently had our 20<sup>th</sup> Anniversary and have been able to bring the Gospel in-person to some 4 million people. We have seen some 350,000 people come forward and make professions of faith in Christ.

### Q Where did the idea for *START!* come from?

**A:** *START!* is designed to take the hand of a new believer, or perhaps a believer who does not know their way around the Bible as they ought to, and lead them through. All the notes I write are conversational and friendly. I use biblical verbiage, but I always explain it. I never assume that my reader knows what all those words mean, so I want to make everything understandable. It's been said the objective of a communicator is to get the cookies on the lower shelf so that children can get to them. My purpose is not to impress people, it's to help people. It's to build people up and help them see how relevant and powerful the Word of God is, and how it can literally change their lives.

### Q What will readers find in *START!*?

**A:** What people are going to find in *START!* is an excellent translation. I am a fan of the New King James translation; I've been using it for years. It maintains the integrity and even some of the poetic quality of the King James, but it brings it into modern verbiage. It's a great foundation to start with.

With *START!*, we take new believers from Point A to Point B. First, we give them the plan of salvation; we tell them how to come to Christ, and then, having established that they've done that, we give them the building blocks of the Christian faith. I believe if a person will get through all of the material in *START!*, it can lay a very good foundation they can build their entire Christian life on.

### Q How can *START!* help seasoned believers grow in their faith?

**A:** I believe *START!* is going to help new believers get started on the right foot. It's going to help growing believers deepen their faith and be reminded of things that perhaps they have forgotten.

The sad thing is biblical illiteracy is at an all-time high in the church right now. It is shocking how little believers know about their Bibles. So, what I'm trying to do is call people back to the study of Scripture and show them it can be enjoyable, and at times, it can even be fun. Most importantly, it is life-changing.

### Q What are your hopes for *START!*?

**A:** My hope is that *START!* can get into the hands of as many people as possible because I think a lot of times people will go out and buy a Bible and, frankly, never read it. They don't know where to start; they don't know how to work through it. They don't know how to understand it. So, the *START!* Bible is written as though I was sitting in a restaurant with someone over a cup of coffee and we were having a Bible study. I just want to help people see how relevant and powerful and life-changing the Bible can be for them. I think this is the Bible that is going to help a lot of people get started on the right foot and see what God has to say through His Word.

### Q What are you working on after *START!*?

**A:** I've teamed up with Thomas Nelson to do three Bible projects; each one is important in its own way. We begin with *START!*. Then, we are going to have another one that will be more devotional in quality. It'll be a Bible that will refresh a believer in things they have already learned. Last, [the series] culminates in a Study Bible that will be for the serious Christian. I would hope that people would not begin and end with the *START!* Bible only. Each one of these Bibles is interconnected, but at the same time, each one is distinct and has something to offer that I think will be of great benefit to any person who wants to know what God's Word has to say.

GIFTS FOR CELEBRATION

In January 1604, King James I of England convened the Hampton Court Conference where a new English version of the Holy Bible was conceived in response to the perceived problems of the earlier translations. Translation of what came to be known as the Authorized King James Version of the Bible began that year and upon completion in 1611 soon became the Bible for the masses.

400 years later, the King James Version of the Bible continues to inspire people from all walks of life and faith traditions and is regarded as the most influential book ever published in the English language.

#### 400 DAYS OF CELEBRATION

Beginning in November 2010, Thomas Nelson will join in a global celebration of the 400th anniversary of the King James Version of the Holy Bible, launching a 400-day campaign that will focus on the history, emotion, and rich experience of the Bible. This campaign will inspire and encourage people from all walks of life to engage in celebrating the 400th anniversary of the King James Bible, reading God's Word and living out the legacy of the Bible in their lives by putting God's Word in action. The celebration will motivate consumers to make a difference in their community and provide them with ideas and tangible ways to further the legacy of the Bible for generations to come.

17 "For God did not send His Son into the world to condemn the world, but that the world through Him might be saved.	10 Jesus answered and said to her, "You are right, because you know the gift of God, and you have said, 'Give Me a drink.' But you do not know Me, and I know you. Because you have said, 'Give Me a drink,' and you have not asked Me for anything, because you know that I am a Samaritan."

## JOHN & STASI ELDREDGE DVD-BASED STUDIES AND GUIDES

Life is a story. This is true for every soul. It is a love story, but it is set in the midst of a life and death battle. That is why it seems so hard. The story of your life is the story of the journey of your heart through a dangerous and beautiful world. It is the story of a long and sustained assault on your heart by the Enemy who knows who you could be and fears you. But it is also the story of the long and mysterious pursuit of your heart by the God who knows you truly and loves you deeply. As we live through the pages of this story, many questions arise. Who am I... really? Where will I find life... really? And what is it that God wants from me? — from [www.ransomedheart.com](http://www.ransomedheart.com)

John Eldredge is the founder and director of Ransomed Heart™ Ministries in Colorado Springs, Colorado, a fellowship devoted to helping people discover the heart of God. John is the author of numerous books, including *Epic*, *Waking the Dead*, *Wild at Heart*, and *Desire*, and coauthor of *Captivating* and *The Sacred Romance*. John lives in Colorado with his wife, Stasi, and their three sons, Samuel, Blaine, and Luke. He loves living in the Rocky Mountains so he can pursue his other passions, including fly-fishing, mountain climbing, and exploring the waters of the West in his canoe.

Stasi Eldredge, who is passionate about mentoring women in finding their true identity as the Beloved of Christ, has been leading women's Bible studies for years. With a BA in Sociology and formerly on staff with Youth for Christ, Stasi now leads the women's ministry of Ransomed Heart. She has been married to John for nineteen years and has three sons.

## DONALD MILLER: THE OPEN TABLE

*The Open Table: An Invitation to Know God* introduces believers and non-believers to the person and deity of Christ in a new and refreshing way. To some, the idea of searching for God sounds as ridiculous as chasing a leprechaun to get his pot of gold, and yet few go looking for a leprechaun, while millions go on looking for God. At the heart of the Christian story—the story at the heart of *The Open Table*—is this basic idea: God shows up in the lives of people who search for Him. *The Open Table DVD* uses state of the art video and the power of personal testimony to put God in front of anyone who has yet to meet Him. *The Open Table Participant's Guide* is for those whose interest is sparked and who want to dig deeper.

*The Open Table: An Invitation to Walk With God* (available September 2010), is the next step in *The Open Table* series. What does it look like to walk with God? We all know relationships take effort and time and intentionality. Like crops from the soil, our relationships need nurturing in order to bear fruit. In *The Open Table: An Invitation to Walk with God*, Don Miller and his friends have created a guide to cultivating and nurturing your soul in such a way that something can grow, something that will sustain you, namely a relationship with God. Perfect for individual or small group use, with state-of-the-art video and powerful personal testimonies, this second installment of *The Open Table* is infused with humor, truth, history, and above all, honesty.

Donald Miller is a speaker, founder of The Mentoring Project, and author of *A Million Miles in a Thousand Years*, *Blue Like Jazz*, *Searching for God Knows What*, *Through Painted Deserts*, and *Father Fiction*.

### The Worry Workbook

Worry is one of the most common mood disorders in America. Whether you call it stress, tension, frustration, or anxiety, worry can take its toll on health and well-being. It can be caused by life changes, such as divorce or career upheaval, or it can become a debilitating chronic disorder. *The Worry Workbook* helps readers understand what causes anxiety and how they can move beyond worry into emotional freedom. Practical steps, interactive exercises, checklists, and guided questions help readers identify their fears, replace negative talk with positive action, learn to accept what is out of their control, and make life-enhancing choices. *The Worry Workbook* offers insight on letting go of self-judgment, becoming real, identifying those who help and those who hinder personal growth, and overcoming insecurities-offering those who suffer from anxiety proven ways to find relief.

### Choosing to Forgive

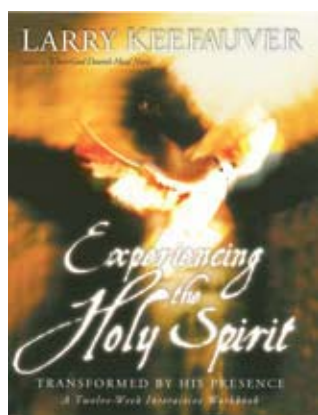

Perhaps there have been times when you have been stuck in bitterness, despair, and anger with no foreseeable way out. Perhaps you have asked yourself whether it is even possible to forgive when you hurt as badly as you do. In *Choosing to Forgive*, Frank Minirth and Les Carter teach you the joys of forgiveness, and provide you with the tools you will need to successfully forgive and move on, releasing yourself from the weight of despair.

Frank Minirth, M.D., is founder of The Minirth Clinic and has authored or co-authored more than thirty books, including *Happiness Is a Choice*, and *Worry-free Living*.

Dr. Les Carter is a nationally known expert in the field of Christian counseling. He maintains his counseling practice, specializing in the treatment of emotional and relational disorders, at the Southlake Psychiatric and Counseling Center in Southlake, Texas. ### Experiencing the Holy Spirit

While most Christians have an awareness of the third person of the Trinity, they have little experience of this personhood or power. *Experiencing the Holy Spirit* shows readers how to welcome the Holy Spirit's presence into their lives and grow in intimate relationship with Him through hearing and obeying His voice; praying and walking in the Spirit; operating in His power, gifts, signs, and wonders; and receiving His anointing. Includes more than 50 interactive exercises.

Larry Keefauver has pastored churches in associate and senior minister positions for 30 years. ### Mind Siege Workbook & Leader's Guide

*New York Times* best-selling author Tim LaHaye and author David Noebel give a wake-up call for Christians to fight the tide of popular beliefs and win the battle for your mind. Two basic sources of reasoning determine the thoughts, ideas, beliefs, values, aims, morals, lifestyles, and activities of mankind—the wisdom of man and the wisdom of God. According to Tim LaHaye and David Noebel, life is mainly about the battle for your mind: whether you will live by man's wisdom, from the likes of Marx, Darwin, Freud, and Nietzsche, or God's wisdom and those who gave it, such as Moses, the prophets, Christ, and the apostles. Your choice will affect the way you live now and ultimately where you will spend eternity.

Tim LaHaye is a noted author, minister and nationally recognized speaker on Bible prophecy. His best-selling Left Behind series has sold over 17 million copies. LaHaye and his wife Beverly live in Southern California.

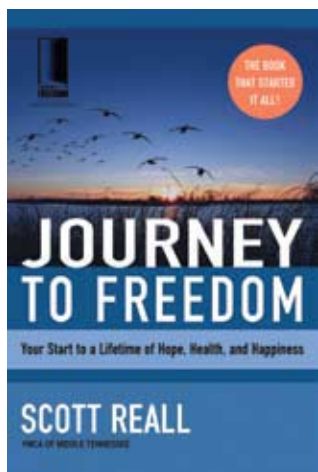

This former college president and candidate for the U.S. Congress is now heading up Summit Ministries, working to train the next generation of Christian leaders. Dr. David Noebel is a recognized expert on worldview analysis and the decline of morality and spirituality in Western Civilization. As an author, editor, speaker and ordained minister, he is a frequent guest of the national media.

### Forgive to Live

Everyone has a "grievance story"—we've all been hurt or rejected by someone who mattered to us. Unfortunately, while most of us have been told to forgive, we've never been told how or why to forgive. But in his medically-acclaimed book *Forgive to Live*, and now in this workbook, Dr. Dick Tibbits demonstrates that understanding and practicing forgiveness can literally save your life!

Dr. Dick Tibbits has worked in the field of behavioral and spiritual health for over 30 years. He has a doctoral degree in psychology, is a licensed professional mental health counselor and an ordained minister with 10 years of pastoral ministry experience. He currently serves as Chief People Officer at Florida Hospital. He is also a sought-after speaker by Harvard Medical School, the Mayo Clinic, the National Women's Health Association and others on the topic of spirituality and health.

Scott Reall's passion for helping people break free from life controlling issues began while serving as Senior Wellness Director for the Green Hills YMCA in Nashville, TN. ## TOMMY TENNEY WORKBOOKS

### God's Eye View Workbook

In *God's Eye View Workbook*, Tommy Tenney leads readers on an exploration to their heavenly Father's heart. They will see how worship can lift them higher for a God's eye view of things as they seek the face of God, and then they can begin to see the trouble they face from God's perspective instead of being trapped in an earthly, time-bound viewpoint. The higher we go, the smaller our problems seem. Each chapter of *God's Eye View Workbook* is designed to provoke thought and encourage personal application of the Bible truths and principles contained in *God's Eye View*. Tenney writes, "Remember that *God's Eye View Workbook* is a tool to help you draw closer to God and grow deeper in your Christian faith. It is not a race, so your goal should not be to 'rush to the finish line first.' Spread your wings in praise and worship and 'mount up with wings like an eagle.'"

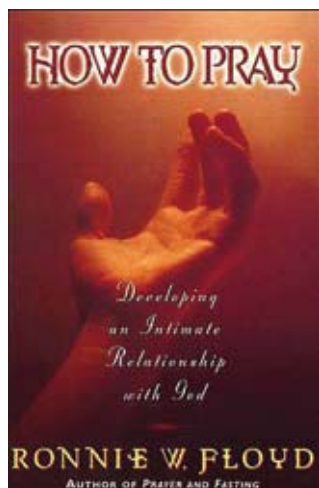

### God Catchers Workbook

A perfect companion to the trade book by the same name, the *God Catchers Workbook* shows readers how to move from the pursuit of God to an encounter with Him. Author Tommy Tenney writes, "God, in a sense, plays hide and seek. But like a loving parent, He always makes sure He can be found by those who take the time to look." In this workbook, Tenney will guide readers through a step-by-step process allowing them to re-ignite the thrill of earnestly seeking God and the joy of finding Him. Readers will learn practical applications that will teach them how to understand God's promise to be found by those who seek Him, be reminded that church is about Him, not about us, and to discover the communion and power that flow from the presence of God.

Tommy Tenney is the author of the bestselling series *The God Chasers*, *God's Favorite House*, *The God Catchers*, and *God's Eye View*. He spent ten years pastoring and has spent over twenty years in itinerant ministry, traveling to more than forty nations. He speaks in over 150 venues each year sharing his heart with many thousands. His two passions are *The Presence of God* and *Unity in the Body of Christ*. To help others pursue these twin passions, he founded the GodChasers network, a ministry organized to distribute his writing and speaking through various mediums. Three generations of ministry in his family heritage have given Tommy a unique perspective on ministry. He has a gifting to lead hungry people into the presence of God. He and his wife, Jeannie, reside in Louisiana with their three daughters and two Yorkies.

### Biblical Counseling for Today

Believers are wise to be skeptical of much that is done in the name of counseling in secular settings. Even under the umbrella of "Christian counseling," one has heard horror stories of cases where God's Word has been misused. But Jeff Watson makes a strong case in this volume for the legitimacy of marrying "biblical" and "counseling." Christian counselors, says Watson, need to cultivate three fundamental skills in their patients:

- How to tell their stories;
- How to choose their goals wisely; and
- How to practice changes in their lives.

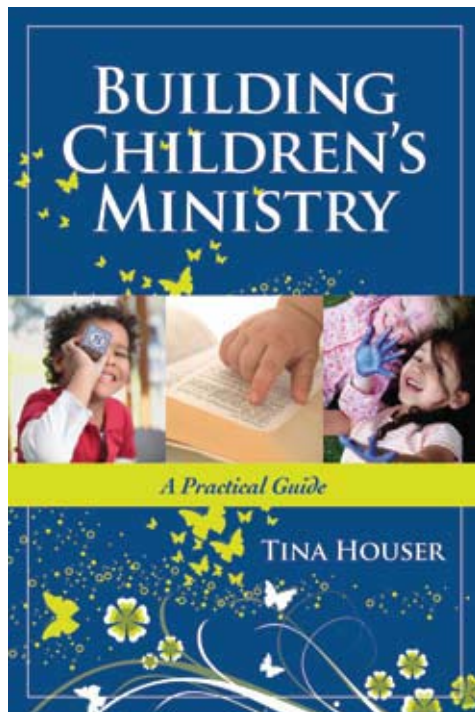

Watson helps counselors achieve these goals by drawing on the interactions of Christ, the commands of Scripture, and the actions of the apostles and prophets.

*Building Children's Ministry* is a practical guide through the challenging (but exciting) steps between recognizing the need for children's ministry and creating a program that ministers to children and their families.

### FEATURES INCLUDE

- Getting the support of the pastor and the congregation
- Statements of purpose
- Budgets and fundraising
- Recruiting and keeping volunteers

## STEWARDSHIP

Funding Principles that Empower Ministry: Lessons drawn from EQUIP

Pastors do not enter the ministry because they like to ask for money, but most discover quickly that fundraising is essential if their ministry is going to succeed. In this book, Doug Carter shows how to teach givers to participate in ministry with their gifts and offerings. Using examples from EQUIP and from EQUIP partners who have successfully used these principles in their churches and ministries, Doug shows the reader how to build relationships into stewardship and then create partnerships for ministry.

In his foreword to *Raising More Than Money*, Dr. John C. Maxwell says, "Doug's vocation in the realm of development has focused more on teaching givers to reflect the giving nature of Christ than about raising money. I'm confident that if you embrace the principles that Doug shares, it will impact your life now and throughout eternity."

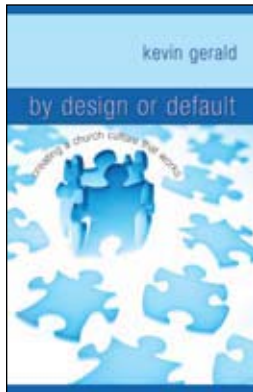

### FEATURES INCLUDE

- Drawn from the experience-base of EQUIP
- Communicates a theology of generosity to churches or ministries
- Helps establish policies for giving

Doug M. Carter has served as Executive Vice President of Public Affairs at EQUIP since 1996. As EVP, Doug represents EQUIP in churches and conferences across America, and teaches at EQUIP leadership conferences around the world. Prior to joining EQUIP, he served as Vice President of World Gospel Mission, an interdenominational mission agency with 330 career missionaries sharing the gospel in twenty-four nations. He and his wife, Winnie, have more than 16 years of missionary experience serving Native Americans. Doug also spent nine years as president of Circleville Bible College, helping prepare men and women for Christian service, and is the author of *Big Picture People* (Beacon Hill Press).

### Ministering to Twenty-First Century Families

There is nothing traditional about the typical family of the twenty-first century, and so it follows that ministering to today's families presents an assortment of new challenges. Rainey believes that the resources needed by the church to confront and combat family problems do exist, and *Ministering to Twenty-First Century Families* is a user-friendly guide to combating the destruction of the family unit. Offering practical solutions and encouraging action, Rainey calls for a "roll-up-your-sleeves" approach to healing weary families.

Dennis Rainey is the executive director and co-founder of FamilyLife and co-hosts the radio program, *FamilyLife Today*. He is senior editor of the HomeBuilders Couples Series, which has sold more than 1 million copies worldwide, and author of *Parenting Today's Adolescent* and *The Tribute*.

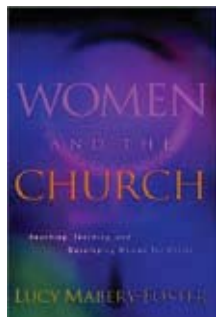

### Spirit-Filled Teaching

Acclaimed teacher Roy B. Zuck reveals how teachers can tap into the power of divine energy to fulfill their calling and use their gifts at a deeper level. By applying these timeless, spirit-focused principles, teachers will learn how to teach more effectively and inspire students spiritually.

### Women and the Church

*Women and the Church* provides an overview of the historical, biblical, and cultural perspectives on the unique roles and gifts women bring to the church, while exploring what it takes to minister to women today. Important insight for any leader seeking to understand how to more effectively minister to women and build women's ministries in the local church.

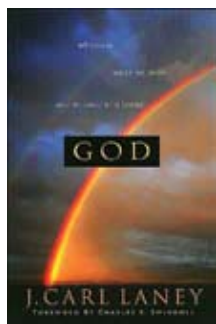

### Effective Church Growth Strategies

*Effective Church Growth Strategies* outlines the biblical foundations necessary for raising healthy churches. Dr. Joseph Wall and Dr. Gene Getz examine the groundwork essential for church growth, qualities of biblically healthy churches, methods for planting a new church, and steps for numerical and spiritual growth. The authors' study of Scripture, history, and culture will spark a new vision for today's church leaders.

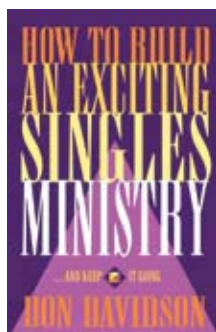

### Effective Pastoring

"A great deal of confusion exists today as to what pastors are to be," Lawrence writes. "Are they chaplains, CEO's, preachers, managers, or counselors? Paul gave us the answer long ago: They are to be equippers, disciple-makers." Just as the great artist Michelangelo took a chipped and flawed piece of marble and transformed it into a masterful sculpture of David, so does a pastor with his flock. "This is pastoring", writes Lawrence, "serving as sculptors of souls."

### God

Who is God? What does He do? How can I know him better? These are questions every Christian asks at some point. J. Carl Laney presents a practical path to life-changing encounters with the goodness, greatness and glory of our Creator.

### How to Build an Exciting Singles Ministry

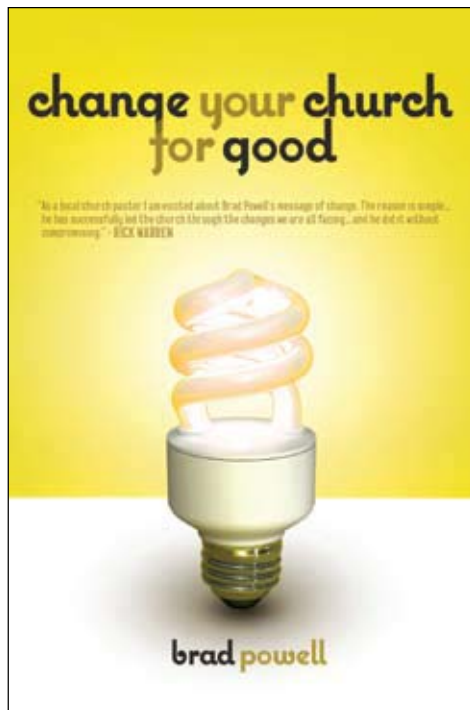

Seventy million single adults make up the largest minority in the United States--almost 40% of the adult population. With these figures in mind, the need for single adult groups should go without saying. But the need for single adult ministry in our churches is often overlooked. Now, however, Don Davidson provides a thorough, practical guide to single adult ministry and how to establish an effective one in your church. Davidson outlines the necessary steps for creating a unique singles group for new college grads, career people, widowed or divorced persons.

## CHANGE YOUR CHURCH FOR GOOD, REVISED EDITION

Every week, more and more people walk away from the church—not because they don't believe but because church has become irrelevant to their lives. Not God but church. In *Change Your Church for Good*, Pastor Brad Powell rekindles hope for the future. He provides essential tools to shake up a stagnant body of believers and infuse it with love, outreach, cultural relevance, and a renewed relationship with God. Drawing on first-hand experience with the church at NorthRidge, where he has served as Senior Pastor since 1990, Brad relays the trials and ultimately the triumph of restoring life and joy to a church that was dying.

If you are a leader seeking a blueprint for change—or a member praying for a miracle—this living example can serve as a springboard for your church. Transitioning NorthRidge Church into a thriving congregation, recently named the Midwest's "Fastest Growing Church" and "One of the Top 50 Most Influential Churches," was hard work but eternally worth it. Though once irrelevant and dying, this church is now reaching thousands of people for Christ and providing the hope of renewal to churches around the world. All believers can take the challenge to get the church working right. When we do, the church will become what we long for and what God has always intended her to be . . . "the hope of the world."

### FEATURES INCLUDE

- Essential tools for restoring life and joy to a church that is dying
- Regain God's vision of what the church should be through real-life stories from other pastors who have been through what you're experiencing
- Repackaged and edited for a more-effective learning experience

Praise for *Change Your Church for Good*:

As a local church pastor, I am excited about Brad Powell's message of change. The reason is simple . . . he has successfully led the church through the changes we are all facing . . . and he did it without compromising. Do yourself a favor and attend this conference. Brad's story is unique, but it doesn't have to be.

Rick Warren - Author, *The Purpose-Driven Life*;  
Pastor, Saddleback Church

*Change Your Church for Good* is a great book! The truths and principles Brad gives in this book can be applied to any church or ministry, pastor, or leader as they transition from where they are to where God wants them to be . . . without compromise. This book provides inspiration, practical help and hope . . . a definite "must read" for the church today!

John C. Maxwell - Author, Speaker, and  
Founder INJOY Stewardship Services and EQUIP

## WORSHIP

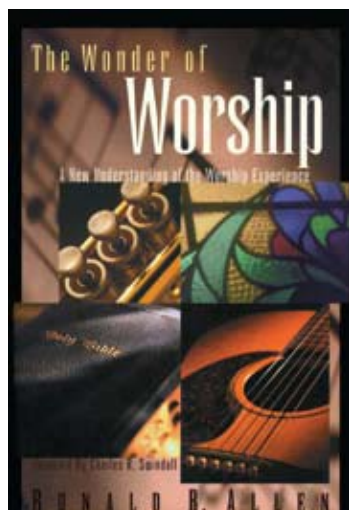

### Called to Worship

Laying the Biblical foundations of worship, this watershed book enriches the worship experiences of individuals and congregations alike. This exploration of worship in the Scriptures is a resourceful tool for ministry professionals, as well as seminary students who are interested in digging deeper into the roots of worship.

This is the story of worship from Genesis through Revelation. Just as the narrative of redemption is interwoven through the pages of the Bible, God's plan for us to worship Him is articulated, explained, illustrated, documented, and applied throughout the pages of His Word. Beginning with Genesis and the truth that God is the ultimate creator, and concluding with worship of The Lamb in The Revelation, principles of worship are drawn from the lives of Biblical heroes, ordinary people, events, Old and New Testament practices, Biblical poetry, the wisdom books, the life of Christ, the epistles and prophecy.

Vernon M. Whaley is Director of the Center for Worship and Chairman of the Department of Music and Worship Studies at Liberty University.

### The Wonder of Worship

Although often controversial, worship is an essential and enduring element of the Christian faith. This three-part study examines the issues surrounding the corporate worship of God, including biblical models and the current revolution in evangelical worship. At a time of radical change in the church, Allen's logical-yet-passionate approach is timely and brings much-needed harmony to the many facets of worship.

Ronald B. Allen, TH.D., is senior professor of Bible Exposition at Dallas Theological Seminary.

## NELSON'S TECH GUIDES: AUDIO, VIDEO, AND MEDIA IN THE MINISTRY

In a worship service, a great measure of responsibility rests on those who volunteer in the audio, video, and media ministries. When everything is going well, no one notices, but when the microphones don't work or the projected song lyrics aren't in sync, everyone does. A well-functioning audio, video, and media team can help the congregation enter into a deeper and more meaningful worship.

In *Audio, Video, and Media in the Ministry* each area of AV ministry is included: sound, projection, lighting, audio, video, broadcast, and web. The book also provides tips and instructions on selecting equipment and the set-up, storage, operation, and maintenance of it. Other leadership topics such as trouble-shooting problems in rehearsal and during services as well as tips for working with ministry leaders, musicians, and fellow congregants are discussed.

If you're a new volunteer to this ministry or just wanting a topical refresher, this handbook is the perfect guide for you.

### Survive to Win

When Bob "Bull" Watson was hired as general manager of the New York Yankees in 1996, his orders were to give the club a title it had not had since 1977 and 1978 World Series Champions -- to do it as soon as possible, preferably that same year. Watson survived that pressure just as he survived his bout with cancer and his difficult climb out of the minor leagues in the racially turbulent 1960s. "After 32 years in baseball, surviving may be the one thing I do best." Interwoven with his life story is an informative and entertaining discussion of all things baseball -- how a hitter thinks, how to build a powerful ball club, how to manage the personalities and egos in the game, and how the game has changed over the years.

### David: A Man After God's Own Heart

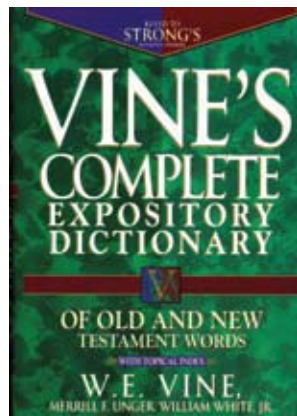

The Bible calls David "a man after God's own heart." But what does that really mean and how does that apply to us today? With his unusual warmth, clarity, and simplicity, Dr. McGee takes a look at the life of David, helping readers move beyond the exciting action stories and into the heart of what David's experiences have to teach us. Dr. McGee said, "Perhaps the most familiar Bible story to every boy and girl who has attended Sunday School is that of David and Goliath. It is a thrilling action story. But the greater thrill is the splendid spiritual truths that are applicable to our present-day lives as believers."

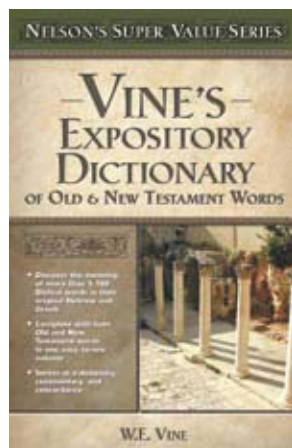

Dr. J. Vernon McGee (1904-1988) spent more than 50 years teaching the Bible on his "Thru the Bible" radio broadcast. He pastored for more than 40 years and has authored many best-selling books, including *Doctrine for Difficult Days*.

**Swindoll Leadership Library: Scripture**

Part of the *Swindoll Leadership Library* series, *Scripture* explores the role and significance of Scripture in a society saturated by the doctrine of tolerance and an air of post-modernism. Confidence in the Bible is consistently being undermined by cynical attitudes and critical thinking. Saucy's commentary confirms not only our need for Scripture, but also its authority, its inerrancy, and its impact.

Dr. Robert Saucy earned his Th.D. at Dallas Theological Seminary and has been Professor of Systematic Theology at Talbot School of Theology since 1961.

**Exploring the Christian Faith**

Each belief is clearly explained with emphasis on how it is rooted in Scripture and what it means for Christians today. Profiles of key Christian leaders and movements, biblical references, a glossary of key terms, and a full index are also included.

### Angels, Satan, and Demons

The supernatural world is getting a lot of attention these days in books, movies and television series. But what does the Bible say about these other-worldly beings? Robert Lightner answers these questions with an in-depth look at the world of the “invisible” as expressed in Scripture.

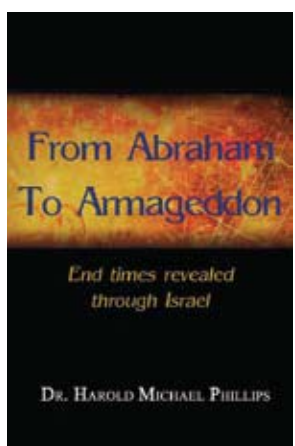

### Prosperity and the Coming Apocalypse

The end is near! You’ve certainly heard the phrase before. And though you may have neglected such a warning in the past, you cannot ignore it any longer. The signs of the end times are all around us. In *Prosperity and the Coming Apocalypse*, Jim Bakker reveals the “last days message” he received while in prison. This is not just a book of prophecy, it is a book of survival. Through careful study of God’s Word and a reexamination of his earlier prosperity theology, Bakker reveals the answers to questions of concern for some Christians. Though no one knows exactly the time of Jesus’ return, it will happen. *Prosperity and the Coming Apocalypse* illustrates how soon the end will be here. Are you prepared for that day?

Jim Bakker was the first host of The 700 Club and the first president and co-founder of the Trinity Broadcasting Network. He is the former president and founder of Heritage Village Church and Missionary Fellowship, the parent group for Heritage USA, PTL, and the Inspirational Network. He is the author of the best-selling *I Was Wrong* and *Prosperity and the Coming Apocalypse*.
